**# Denotes fee paying extramural activities**

It must be noted that school activities **take precedence over all** paid extramural activities, both internal and external. Once an activity is started it becomes a commitment for the season, even if not selected for a team. Kindly ensure that your daughter is available for all practices, matches, galas or any other events that may be arranged. Greenfield encourages participation. Teams are mostly selected on merit. Every reasonable attempt will be made to arrange matches/galas for the girls to participate in but is entirely dependent on what other schools have to offer.
